NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 1979

Exhibit E

1. SIGNIFICANT ACCOUNTING POLICIES

(*a*) Revenues and expenses are reflected on an accrual basis.

(*b*) Merchandise inventory is valued at its latest landed cost. Customs and excise taxes are not included in the value of inventory where payment is due upon shipment from the bonded warehouse.

(*c*) Expenditures for buildings, leasehold improvements, furniture, fixtures, and equipment are capitalized and are subject to depreciation on a straight line basis as follows:

Buildings—7½ per cent per annum.

Leasehold improvements—a minimum of 10 per cent per annum or a rate sufficient to write off the cost over the remaining life of the respective lease.

Furniture, fixtures, and equipment—25 per cent per annum.

2. CHANGES IN ACCOUNTING POLICY

In September 1977, a new procedure was implemented for domestic beer delivered directly to licensed establishments by Pacific Brewers Distributors Ltd. Commencing September 6, 1977 the domestic brewers' wholesale distributor was authorized to accept orders and payment from licensees within prescribed guidelines. During the year ended March 31, 1979 Pacific Brewers Distributors Ltd. recorded sales to licensed establishments amounted to $60,829,434 (1978—$37,051,208). Had these sales, as in prior years, been reflected in the Statement of Income, the total sales figure would have been $587,027,709 (1978—$524,107,451). Income was maintained by instituting a Provincial malt levy based on established mark-up of domestic malt products.

3. CASH

	1979	1978
	$	$
Cash on hand and in banks (overdraft)	(2,147,439)	(366,032)
Cash in transit	5,986,184	4,348,217
Funds on deposit	155,548	—
	3,994,293	3,982,185

A formal agreement has been entered into with a municipal body, as a result of which funds have been deposited in a Joint Trust Account. Disposition of these deposit funds, including accrued interest, is dependent upon determination of the Liquor Distribution Branch's liability to pay municipal business taxes.

5. SALES

Included in sales are non-alcoholic items amounting to $913,184 (1978—$786,371).

6. COMMITMENTS

(*a*) Employees of the Branch contribute to the Public Service Superannuation Fund 6 per cent of their salaries for basic pension purposes, plus one-half per cent of salaries for cost-of-living indexed increases in pension benefits. The contributions shown in the Schedule include in addition to matching employee contributions, supplementary assessments paid by the Branch to fund any deficiency in pensions for employees who retired during the year. This supplementary assessment was $1,711,235 in 1979 ($1,210,423—1978).

An actuarial evaluation of the Public Service Superannuation Fund was made at March 31, 1977. Details of the unfunded liability are described in the Public Accounts of British Columbia. The portion of the unfunded liability attributable to the Liquor Distribution Branch was not determined by the actuary.

(*b*) The Branch maintains inventory in its bonded warehouse for which customs and excise tax has neither been paid nor recorded. As at March 31, 1979 the future liability for these taxes approximate $7,000,000.

(*c*) Total commitments to March 31, 1979 for lease of premises amount to $19,200,000. Of this total $3,290,000 becomes payable during the year ending March 31, 1980.

7. COMPARATIVE FIGURES

Certain of the 1978 figures provided for purposes of comparison have been restated to conform with the classifications used in the current year. These changes have had no effect on the net earnings.
